What is it?

Rally is a set of interactive tools that delivers comprehensive information about the learning needs of students. The platform displays individual student data and aggregated class data.

What can I expect as a member?

- Historical student academic performance
- Predictions of assessment scores (NWEA MAP, STAR, i-Ready, and SBAC Interims)
- Survey results of students' personal well-being
- Equity pauses to reflect on students' learning experiences
- Cross-platform compatibility with multiple devices
- And more!

Pricing structure starting SY21-22:

- \$2,500 for first year start up (if LEAs onboard before March 1st, 2021, this fee is waived)
- \$5,000 / year for 2,500 students or less
- \$7,500 / year for 2,501 to 25,000
- \$10,000 / year for greater than 25,000 students
